Congresswoman Niki Tsongas
11 Kearney Square, 3rd Floor
Lowell, MA 01852

Dear Congresswoman Tsongas,

The Town of Acton Board of Health is pleased to strongly support the request for High Priority Project (HPP) funding for the Bruce Freeman Rail Trail (BFRT). The Acton Board of Health finds that the BFRT contributes to a healthy lifestyle for citizens and is in concert with our primary goal of improving the health and wellness of residents within our town.

The BFRT is extremely popular project supported by Town and State elected officials, and by thousands of citizens. With historic underfunding of Transportation Enhancement projects like the BFRT it is extremely valuable to have HPP funds allocated to the BFRT.

Thank you for your consideration and your support for the Bruce Freeman Rail Trail.

Sincerely,

Doug Halley
Director
Acton Board of Health
